Managing Director

Welcome to Alderholt, a well connected village close to countryside and coast.

Situated just three miles from Fordingbridge, the village is surrounded by countryside and is within easy reach of the New Forest, Salisbury and Bournemouth.

Within Alderholt you will find a convenience store, veterinary clinic, a garden centre, allotments and a part-time GP surgery.

Alderholt Recreation Ground on Ringwood Road has a range of facilities including a children's play area, a multi-use sports court, a youth shelter, 2 tennis courts, 2 sports pitches, a pavilion and a sports and social club.

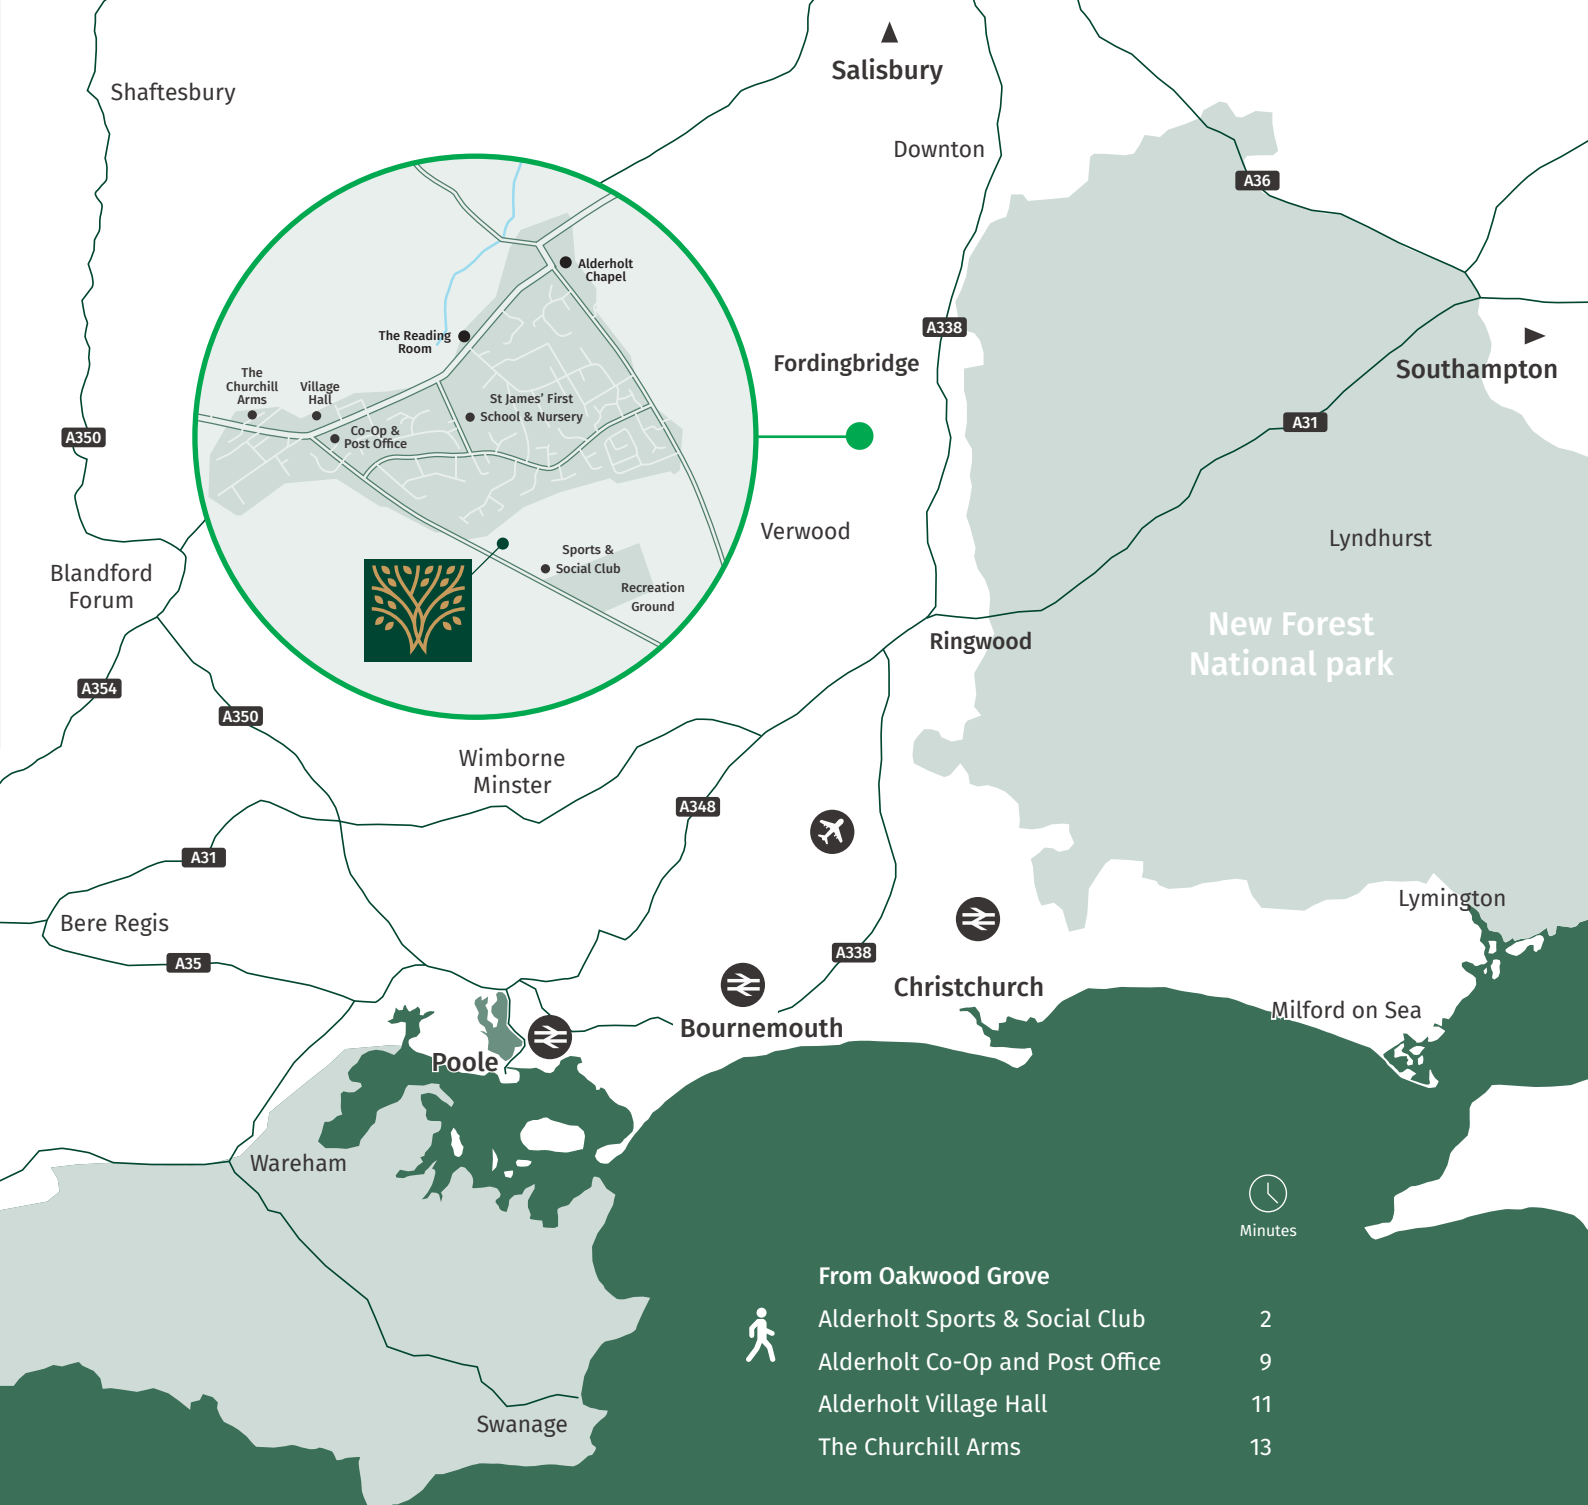

Less than 9 miles away you will find Moors Valley Country Park and Golf Course with 1000 acres of park and forest to explore.

The market town of Ringwood has a weekly market and a Waitrose supermarket, enjoy catching up with friends in one of the coffee shops, or treat yourself to something new from one of the independent stores. It also hosts an annual Carnival in September.

Nature as your neighbour

As part of our Oakwood Grove development, we are creating a designated SANG (Suitable Alternative Natural Greenspace), comprising woodland paths, a pond and natural habitats.

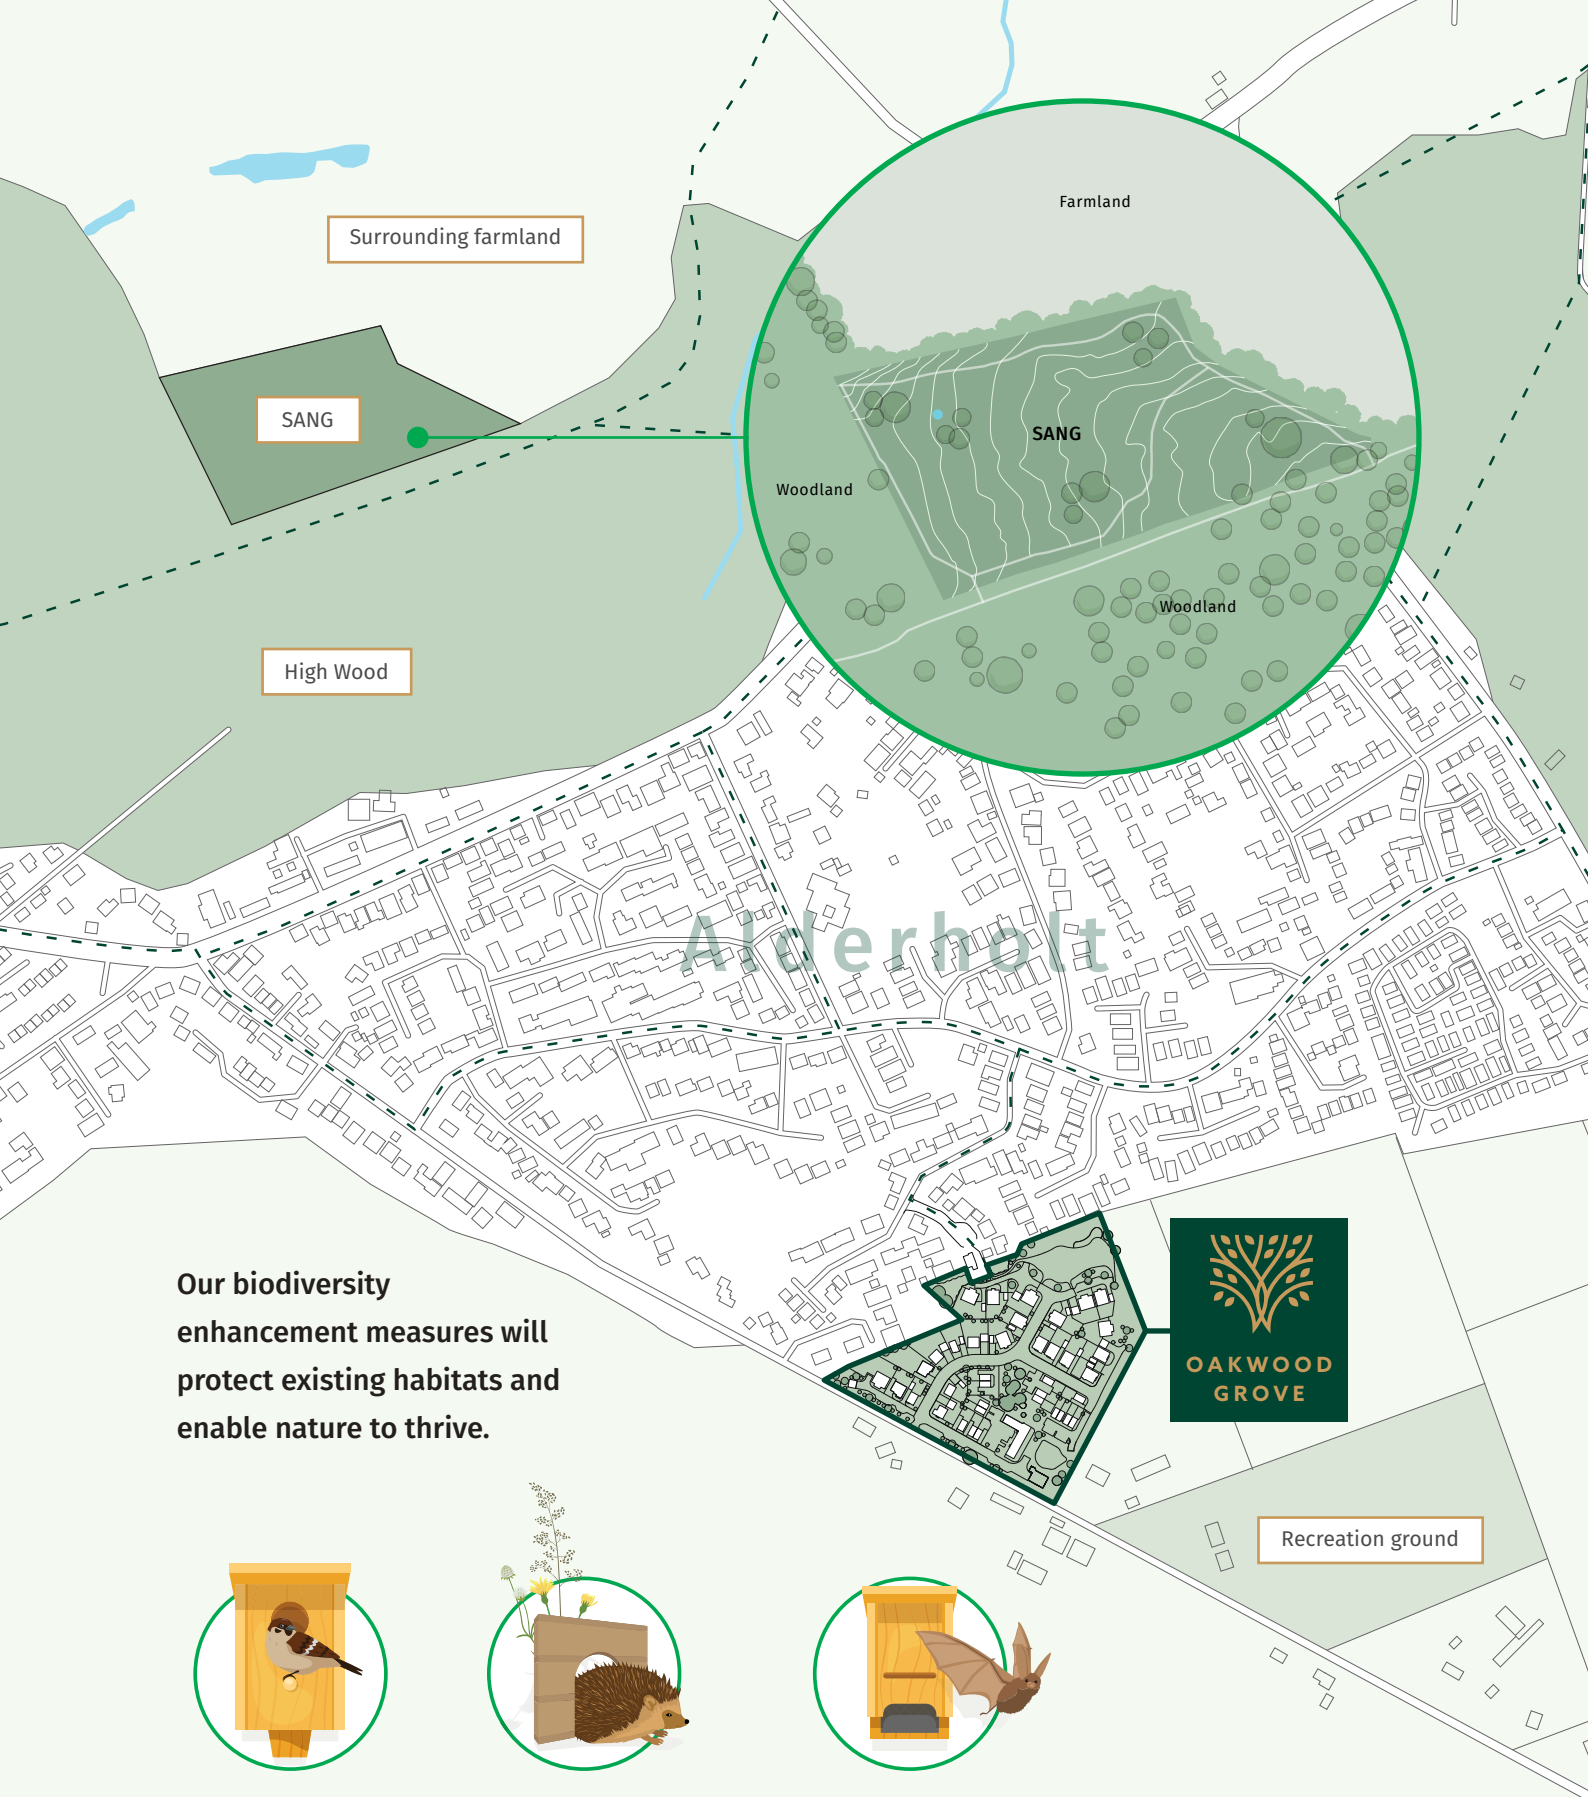

“Biodiversity is at the forefront of the design and construction of Oakwood Grove”.

Matt Dukes, Managing Director.

With plenty of space to run and roam, whether you’ve got four legs or two, the nearby SANG will protect and support natural wild habitats and provide a serene environment for leisurely walks, enjoying nature and ensuring that both wildlife and visitors can thrive in harmony.

As part of our commitment to sustainable development, Oakwood Grove will provide ponds and green space for wildlife to thrive.

Our biodiversity enhancement measures will protect existing habitats and enable nature to thrive.

Bird boxes

Oakwood Grove will include a range of bird boxes alongside new and existing hedgerows, providing suitable habitats for 23 different bird species.

Hedgehogs

Our landscape design provides foraging habitat for hedgehogs, whilst holes in fence panels will create 'hedgehog highways' allowing them to easily move between gardens.

Bats & bees

Bat boxes and bee bricks will be installed throughout Oakwood Grove to provide a suitable habitat for our flying friends.
